

- **Al-Tadhamun institution for hairstyle**

Since October /2005, till December/2006, Iraqi AlAmal Association in partnership with international orthodox charitable organization, opened a women training center in Camp Sarah neighborhood / Baghdad city.

This center has training workshops on hairstyling, while building capacity on education and social awareness, and many seminars were held with held with women of Camp Sarah to discuss social and healthy awareness.

In the last week of july/2006, a training workshop on sewing started, which lasted tow months, this training was attended by eight young women.

On authorization was obtained from ministries of education related directory to develop literacy campaign pogramme, and to open two classes in the school located next to the institution.

The programme tends to help women find jobs through training them on hand crafts and to empower women on income generating and financial independence.
